

# FL3000

## LiDAR Robotic Mower

### 10-Min Setup

No Wire, no RTK. Simply set up the charging station, instantly map your lawn.

### Automated Mapping

Just place it on the grass, it scans and maps your lawn.

### No Signal Issues

Trees, walls, and tight corners? Not a problem!

### Precise Obstacle Avoidance

Rocks, toys, or tree branches, the FL3000 detects obstacles before trouble strikes.

### Intelligent Path Planning

Plans the most efficient route for a perfectly maintained lawn.

### One App Does It All

Tap to start, track progress, and manage zones? All at your fingertips.

Dimensions (W × D × H)	633 × 443 × 302 mm
Weight	13.5 kg
Charging Time**	120 min
Mowing time per full charge	80 min
Max climbing ability	33° (65%)
Cutting width	260 mm
Cutting height range	20–60 mm (Standard) 10–50 mm (Standard with Adapter)

\* All battery claims depend on various factors and operating conditions; actual results may vary. The battery has a limited number of charging cycles and may eventually need to be replaced. The lifespan of the battery and the number of charges depend on usage and settings.
